

CONGRESSWOMAN CINDY AXNE: IA-3

Sample Script:

Dear _____,

Voting is the best way to make your opinion count in a democracy, and now it's more important than ever. We need Cindy in Congress to continue to fight for healthcare and a woman's right to choose. Please make sure you get your ballot in as early as possible! For more information, and to track your ballot, go to sos.iowa.gov.

Sincerely,

More info about Cindy:

Cindy has helped grow our economy by:

- Strengthening workers' ability to organize and ensuring that workers can collectively bargain for better wages and benefits by voting for the Protect the Right to Organize (PRO) Act.
- Voting to raise the minimum wage to \$15 per hour, ensuring hardworking Iowans earn enough to support their families.
- Helping to grow small businesses by leading the creation of a bill to provide funding for rural entrepreneurs, and making it easier for small businesses to cut through red tape.
- Holding corporations accountable for shipping American jobs overseas by introducing the Outsourcing Accountability Act.

In Congress, Cindy has supported Woman's Reproductive Rights by:

- Supporting prohibitions on restrictions on reproductive healthcare that don't apply to similar medical care by co-sponsoring the Women's Healthcare Protection Act.
- Co-sponsoring the reauthorization of the Violence Against Women Act.
- Voting to create family planning educational programs across the different military branches.

Cindy serves on the Healthcare Task Force and has increased access to quality, affordable healthcare by:

- Voting for legislation to lower the cost of prescription drugs by getting cheaper, safe generics on the market and limiting the amount pharmaceutical companies can charge for life saving drugs.
- Maintaining protections for individuals with pre-existing conditions.
- Supporting bills that would increase access to mental healthcare, treatment for diabetes, treatment to combat the obesity epidemic, dental care and child healthcare.

In Congress, Cindy has helped fix our broken immigration system by:

- Co-sponsoring legislation to create a pathway to citizenship for Dreamers and individuals with temporary protected status.
- Supporting increased funding for Customs and Border Protection to ensure resources are available to maintain humane conditions in border facilities while increasing border security.

Cindy has supported our rural communities by:

- Standing against House Democratic Leadership to ensure family farmers impacted by the trade war receive the financial help to keep their farms running.
- Securing an additional \$3 billion in the Emergency Supplemental Bill for Midwest flooded communities.
- Supporting rural health care by increasing reimbursement rates for rural clinics and eliminating red tape that prevents providers from treating patients.
- Joining the House Rural Broadband Task Force to find solutions to the rural digital divide so our rural small business owners and farms have the technology to compete in today's economy.

Cindy has protected our environment by:

- Supporting re-entry by the United States into the Paris Climate Accord.
- Co-sponsoring legislation to increase funding for wind energy research and land and water conservation.
- Voting to protect the Arctic National Wildlife Refuge from oil and gas drilling.
- Securing provisions to extend the biodiesel tax credit and second-generation biofuel producer credit.
- Co-sponsoring legislation that creates a National Climate Bank which would focus on providing investments to new green energy solutions – including reducing greenhouse gas, investing in renewable energy projects, and supporting environmental justice and job creation – especially in rural areas.
