Dear [NAME],

Please vote for Democrat Nicole Quick for State Representative on November 3rd, or request a mail-in ballot ([www.NCvoter.org](http://www.NCvoter.org)) or vote early. Republicans have controlled the state house for the past 10 years and have set NC back on health care, education, and the protection of working families.

This election will be decided by a handful of votes, so your vote matters.

Sincerely,

[YOUR FIRST NAME]

## **More info about Nicole:**

Nicole Quick is running in HD-59, one of the most flippable NC house districts, in a year where we can flip the whole legislature in addition to capturing a US Senate seat and winning NC's 15 electoral college votes for Joe Biden. In the NC House, Democrats need a net gain of five seats to break even and six seats to take the majority.

Born in southeastern North Carolina, Nicole Quick grew up in Columbus and Brunswick Counties. Her bachelor's degree is in politics and economics, and her master's is in economics with a focus on economic development.

After school, Nicole went to work in Greensboro, NC, managing a \$40 million business segment of Guilford Mills. There she was responsible for all forecasting and budgeting and for planning and scheduling production.

When her son Tad was diagnosed with autism, she decided to leave her career behind and undergo training in order to provide daily occupational therapy for him. Once Tad was in school, Nicole went on to work as a one-on-one aid in the classroom with him and, later, to lead teacher instruction and workshops focused on working with children with autism in inclusive classrooms.
